WELCOME TO THE WORLD OF COZZE

cozze®

cozze®

MADE FOR THE PERFECT MOMENTS

2023 will be loaded with innovation from cozze®.

Our unique pizza ovens are now available for both electricity or gas. No matter which version you choose, you will soon master pizzas or pita bread, juicy steaks, fish or even roasted vegetables.

The cozze plancha with the multi griddle offers the possibility of cooking healthy without fat. Still at high temperatures. Experiment with all types of food, vegetables, meat, shellfish and you will be recognised as a true master chef.

The cozze electric grill comes with individually adjustable heating elements at the top and bottom, offering the possibility of cooking all types of food, vegetables, meat, shellfish. It even delivers a great pizza.

The cozze outdoor kitchen and roller tables offers the possibility of even more cooks – or helping hands at the very least, when preparing the food, to grilling and the cleaning up.

The packaging's for all cozze ovens, grills, and outdoor tables have been upgraded, and are now delivered in 1A drop test carton. All the packaging is FSC certified and the products are CE & LFGB certified.

BON APPETIT!

JOIN THE PLANCHA REVOLUTION

NEW IN 2023 BY COZZE

The way of cooking with a plancha is rooted in the southern European cuisine, and now it is coming all across Europe. Get on board from the beginning, as plancha will be a new cooking mega-trend in years to come.

cozze® deliver a high performance plancha in two sizes. Plancha 600 refers to a width of 600 mm and plancha 900 is of course 900 mm wide. Making them suitable for the easy outdoor cooking of shrimps, eggs and bacon, burgers or a delicious fish.

PLANCHA 600

2 BURNERS ON GAS

Plancha 600 with lid and 2 burners. With 2 reversible cast iron grates and with thermometer on the lid. Control buttons with LED light. The lights turn white when the grill is heating and when the grill gets hot the color changes to red. The lid is adjustable and possible to open in different degree.

- Power: 6.4 kW
- Product size: 650 x 570 x 310 mm.
- Grill area: 600 x 400 mm.
- Grill grate: 2 pcs. cast iron reversible flat / grooved.
- Burner: 2 U-shape burners in stainless steel.
- Electronic ignition.
- Material: Zinc plated lacquered steel.

Item no. 90514

OUTDOOR TABLES FOR YOUR BACKYARD

Make your garden or even balcony better.
We have spent a lot of time researching and developing the ultimate set of outdoor tables for the cozze® products.

Always grounded in a danish design philosophy of bringing joy and happiness to the time you spend catering your loved ones.

WHEN ONLY THE BEST FIT YOUR TERRACE

The new series of products are made to make your cooking sessions easier, as you have enough space for your equipment and even the possibility to hide the gas tank behind a door.

No matter if you go for out standard cozze® cart, the plancha tables or our brand new luxury outdoor kitchen, we promise you a better cooking experience for years to come.

And your new plancha will look pretty amazing when you invite your neighbors over to explore the new cooking trend. The product and the table simply fit each other like nothing you have ever seen before. It's a beauty.

Sharpen your knife, find the cuttingboard and get the cooking started. Now it is your time to shine.
