304 grade stainless steel trolley with side shelf and tool hooks	Height adjustable stands	Lockable Castors	

BENEFITS

DURABLE, FLEXIBLE AND EFFICIENT
With cast iron burners and stainless-steel vaporisers, you have one of the most durable, flexible and efficient cooking systems available. Cast iron heats quickly, maintains consistency and lasts a very long time. With 17MJ of power in each burner, you can always turn the power down, giving you the choice in what you cook and how you cook it. And the stainless-steel vaporisers efficiently disperse the flames across the grill & plate surfaces whilst reducing those flare ups

SOMETHING ON THE SIDE
Our integrated and powerful 17MJ side burner extends outdoor cooking. Saut side vegetables, stir sauces or just cook the onions in a separate pan. If not, needed, fold down the lid for a right hand table.

SPACIOUS, CUSTOMISABLE and DURABLE CAST IRON COOKTOP
Cook up a feast for many for years to come on our spacious and durable cooktop. Made from cast iron, the cooking surface doesn't chip and rust resistant, whilst heating quickly and evenly and holding its warmth for the best cooking experience. The split grill plates also means you can customise your cooking surface as you need it.

THE PERFECT VIEW
Keep an eye on whats cooking without lifting the lid. Maintain heat using the built in temperature gauge or peer through the full width glass viewing window to check how those sausages or brisket are doing.

CLEAN UP WITH EASE
Designed for an easy clean-up, the hotplate has raised sides preventing grease and oil over-spilling, drawing it instead to the plate opening and into the replaceable foil catchment tin. The telescopic rails on the front, full width drip tray, makes it easy to pull out to replace the foil tin and clean the over-spill.

READY, START, COOK
Start cooking quickly and easily with the quartz one start. This first time, every time, easy start ignition system makes sparking up the BBQ a breeze.

STEADY and BALANCED
Effortlessly wheel your BBQ from one place to the next with the wide wheels on each side. Lock them into place with the push down catches, and level out the surface with the height adjustable stand on the front two wheels.

STYLISH AND PRACTICAL
A practical BBQ trolley with ample storage for gas cylinders and your BBQ accessories, with spacious side shelves. The bump stop trolley feature prevents pushing the BBQ directly against the wall, providing extra ventilation and preventing damage to the hood when its rolled back.

CONSTRUCTED TO LAST
Built to last over time, the burner box is built out of high grade stainless steel. With an exterior seam weld, moisture and grease don't get into the joints, preventing rusting

KEEP IT COOKING OR KEEP IT WARM
The stainless steel elevated cooking rack keeps food warm or use it as a 2nd elevated cooking area.

Specifications

PRODUCT PROFILE

Type of BBQ	Free Standing
Design Family	Signature
Finish	stainless steel
Stainless steel grade	304 grade
Stainless steel	304 grade
BBQ Frame Finish (BBQ Burner Box Finish)	Fully Welded Stainless Steel
Firebox material	stainless steel
Firebox construction	stainless steel
Domestic warranty details (yrs)	2

SPECIFICATIONS

Type of Fuel	Gas
Gas connection set up	LPG
NG conversion kit available	yes

FEATURES

Control panel material	stainless steel
Controls of BBQ	Stainless steel
Position of controls	front mounted

BURNERS

Number of burners	5
Burner material	Cast iron
Type of Ignition	Quartz Start

FEATURES

Laser Etched Graphics	yes
Hotplates	1
Hotplate finish	rust resistent enamelled cast iron
Hotplate size	18.6cm²
Hotplate oil and fat management	raised sides,hotplate gap
Grills	2
Grill finish	rust resistent enamelled cast iron
Grill plate size	13.1cm² x2
Elevated Cooking Rack	Yes
Elevated cooking rack number	2
Elevated cooking rack material	stainless steel
Elevated cooking rack dimensions	5.8cm² x 2
Elevated cooking rack movement	lift up & remove,split
Roasting hood	Yes

BURNERS

Burner power (MJ/hr)	17
Total burner power (MJ/hr)	85
Flame failure	No
Vaporisers	Yes
Number of vaporisers	2
Vaporiser material	stainless steel
Side Burner	Yes
Side burner material	stainless steel (304 grade)
Side burner lid	stainless steel (304 grade)
Side burner power (MJ/hr)	17
Side burner ignition	Quartz Start
Side burner trivet type	cast iron trivet
Side burner control dials	stainless steel

FEATURES

Roasting hood material	stainless steel (304 grade)
Roasting hood construction	Stainless Steel
Features of hood	Window,Integrated temperature gauge
Roasting hood layers	2
Roasting hood lights	No
Slimline Lid	No

GREASE & OIL MANAGEMENT

Catchment tray material	stainless steel
Catchment tray size	full width
Catchment tray position	front
Telescopic rails	Yes

TROLLEY

Trolley type	Cabinet Trolley
Trolley material	stainless steel (304 grade)
Trolley construction	Stainless Steel
Trolley doors	2
Trolley side table material	stainless steel
Trolley side table design	soft close lid
Features of trolley	towel rack
Side table construction	Stainless Steel

TROLLEY

Trolley wheels and feet	lockable castor wheels
Trolley adjustable feet	Yes
Trolley hooks and racks	tool bar on both sides
